

Spa Pedicure and Shellac from Rocky Mountain Academy of Hair, Skin & Nails

\$42 Value

A pedicure is a way to improve the appearance of the feet and the nails. It provides a similar service to a manicure. The word pedicure refers to superficial cosmetic treatment of the feet and toenails. A pedicure can help prevent nail diseases and nail disorders. Pedicures are done for cosmetic, therapeutic and medical purposes. With this package, you'll also get the application of polish – in this case...Shellac. Shellac is the brand name for a new, patent pending nail product. It's a mix of traditional nail polish and UV gel polish and is thin enough to be applied like regular nail polish.
